

THORNTON CREEK ALLIANCE GENERAL MEETING

Thursday, March 21st, 2019

Preservation of our Urban Forest

Learn about Successful Efforts and Work still Needed

Presentations and Presenters:

- **Jana Dilley**, *City of Seattle Trees for Seattle Program Manager*

Why are mature trees so important, and what can we do to help them thrive?

The recent tree planting project at Meadowbrook Pond

- **Steve Zemke**, *Chairman of TreePAC and Friends of Seattle's Urban Forest*

Seattle's new tree protection ordinance is now in development. What components are needed to ensure a healthy urban forest for the future?

6:30 pm Social / 7:00 to 9:00 PM General Meeting

Maple Leaf Lutheran Church
10005 32nd AVE NE
Seattle, WA 98125
